Don't Wait

You can do your Fall Plowing if the ground is hard and dry. Now is the time to break your ground for wheat, and it can be done with the

Oliver Riding Plow

Built for that purpose. This plow will absolutely do better work, with lighter draft, in harder ground than any walking plow of its size. We strongly recommend this plow. The Oliver Chilled Plow Works stand back of it. Look it over

NUGGET THEATRE

FIRST-CLASS SCHOOL

Mansfield to Have a Four Year High School—Term Opens Sept. 1

Mansfield is to have a first-class four-year high school, according to plans now under way. This is what we have long needed and we are indeed pleased to state that Mansfield is to take her right place as a school city.

At a meeting of the board of education Saturday morning Prof. D. H. Kay, who has been employed for a 9 months term as superintendent, was employed for 12 months and will move here soon and devote his entire time to the school work. Another teacher will be employed, vocational agriculture will be added, needed equipment will be supplied, and a course of study will be arranged so as to make the Mansfield schools meet every requirement of a first-class school.

We congratulate our enterprising and progressive board on the steps they have taken, which means much to our people and our children. To be able to secure at the home the benefit of a four-year high school is a feature of great value. In addition to the benefits that will accrue to the people of our own district, it should draw a large number of students from other districts. It has been estimated that there are 75 who should come from other districts to take advantage of the opportunity offered by a first-class school in Mansfield.

Prof. Kay, met with the Parent-Teacher Association Saturday afternoon and they assured him of their co-operation in the matter of assisting in finding homes for students from other districts. It was also decided to teach cooking and sewing for the benefit of the young lady students.

It is planned to open school here Monday September 1.

Prof. Kay is attending a meeting at Columbia this week. He has the degree of Bachelor of Science from the Southwest Missouri State Teachers College of Springfield and has successfully acted as superintendent of schools at Cuba, Branson and Walnut Grove, giving splendid satisfaction at each place. He comes to us as an educator of experience and ability and we look forward to a most successful and profitable school year. We congratulate ourselves in being so fortunate as to be able to secure the services of so able a man as Prof. Kay. He is a son of Col. T. A. Kay of Ava, and has a wife and one son, 19 years old. We cordially welcome them to the gem city of the Ozarks.

High Class Entertainment.
A program of unusual merit was the Community Lyceum entertainment given at the Mansfield High School Auditorium Friday night by Rev. Guy Willis Holmes, reading and impersonator; Mrs. Rebecca Craig, soprano; Mrs. Horace Paul, pianist, and Miss Alice Mooney, accompanist. The entertainment was given under the patronage of the Methodist Ladies Aid Society. Every number on the program was pleasingly given and appreciatively received.

Mr. Holmes' readings were varied in character and each one was faultless, and were also his impersonations, in which he illustrated to his audience the procedure through which an artist makes ready to impersonate his characters. With the aid of a little grease paint, blending powder and crepe paper, he unfolded the mysteries of the make-up, doing all his work in full view of the audience.

Mrs. Craig is a singer of whom Mansfield is proud and her selections were very much appreciated. Mrs. Paul is a pianist of unquestioned ability and her music is always welcome.

Miss Mooney has great ability as a musician and performed her part well.

Township Meeting August 12.

The township committee of each township in Wright county is authorized and requested to assemble the women of the Democratic party at their respective voting precincts on Tuesday, August 12, at 2 o'clock, and there to elect one member of the Democratic County Central Committee for their respective townships. The township committeemen so elected from their respective townships will meet at Hartsville for the organization of a Women's Democratic county committee on Tuesday Aug. 19, at 2 o'clock.

FAIR--LIGHT--ROADS

Commercial Club Discusses Matters of Importance to Our People

Mansfield Fair—Nuff Sed—I'll Be There.

At the meeting of the Commercial Club Monday night many matters of interest to the community were discussed.

Continuing the discussion of the light proposition from Friday night's meeting, additional stock subscriptions were secured. Dr. F. H. Riley, F. L. Beach and R. R. Reed were named as the light committee.

Definitely deciding to actively get behind Mansfield's 8th Annual Agricultural and Stock Show, to be held Sept. 24, 25, 26 and 27, the Club named the officers for the fair as follows: Dr. F. H. Riley, President.

G. C. Freeman, Vice-President. W. A. Black, Secretary.

O. S. Coday, Treasurer.

The premium list will be issued as soon as possible, and the officers will welcome any suggestion thereto.

J. W. Brazeal, city clerk, and W. A. Black, secretary of the club, were authorized to draft articles of agreement relative to the city council meeting in the club rooms.

The use of the rooms was also voted to the engineers from the state highway department who will survey the Ozark Scenic Highway through Wright county and the county seat road between Hartville and Ava, both of which roads pass through Mansfield, which will be headquarters for road work.

Those paying club dues for August were W. C. Coday, G. C. Freeman, J. B. Freeman, W. A. Black, J. W. Brazeal, W. B. Hitchcock, J. D. Reynolds, Dr. F. H. Riley, M. A. Freeman, F. D. Moon, E. O. Skelton, Geo. B. Freeman, J. C. Carter, L. F. Livingston, C. O. Storm, A. C. Roy, F. L. Beach, D. S. Cantrell, R. R. Reed and J. H. Stephens.

Wayside Cleanings

Miss Opal Day of Mansfield was a guest of Miss Cozella Christy Sunday and Sunday night.

Mr. Snyder, wife and daughter, Miss Grace, were guests at the A. J. Wilder home last Wednesday.

Several of the neighbors have been to look at Mr. Schafer's house lately. He has two men employed and his two sons so they are getting it built fast.

Mr. Martin is painting the interior of the Macomb school house.

Miss Cozella Christy entertained Misses Vivian Smith, Mary Robbin, Hazel Greenwood and Mr. Lester Greenwood Monday evening.

We are glad Mr. Black has been appointed postmaster of the Mansfield postoffice, but what are we going to do for an editor? We just can not let him leave the Mirror office.

Life is real! Life is earnest!

And the grave is not its goal;

Dust thou art, to dust returnest,

Was not spoken of the soul.

SOMEbody ELSE

A reward of Twenty-five Dollars (\$25.00) will be given by the Mansfield Drug Co. for the arrest and conviction of the party or parties, who broke into their store on the night of July 24, 1919, and carried away goods amounting to between Fifty and One hundred Dollars, most of which was watches and jewelry.—adv.

Misses Fern and Fay Davis came in yesterday from Seymour where they had been visiting at the home of their uncle, F. J. They returned to their home at Ava today.

DEATH OF MRS. CALHOUN.

Mrs. Lucinda Calhoun died July 22 1919, at 5:25 a. m., at her home in Norwood, Mo., and was buried on the following day at the family burial ground on the old homestead after funeral services by Rev. W. N. Zuyers.

Mrs. Calhoun was the daughter of Jonathan and Elizabeth Hellums and was born in Greene county in September, 1846. She was married Jan. 18, 1866 to James F. Calhoun. Of the eleven children born of this union two died in infancy and three others—Jonathan, Frank and Isaac—died after reaching maturity. The surviving children are Dr. W. S. Calhoun of Norwood, Mrs. Mary Absher of Mountain Grove, Mrs. Sarah Cleg-horn of Roseman, Mont., Mrs. Jennie Glass, of Waverly, Kansas, Mrs. Dora Findley of Mansfield and Perry Calhoun of Mountain Grove, Rt. 1.

Mr. Calhoun died in October, 1912 and his widow at the time of her death was living with one of her grandsons.

All of her children were present at the time of her death with the exception of Mrs. Cleg-horn, whose daughter was ill with appendicitis. The family have the sympathy of many friends.

AUTO TOURS.

The ideal time for a motor trip is during the month of August or early in September and many motorists are now enroute.

To those traveling either East or West the ever popular "Motor-Steamer" trip in connection with C. & B. Line Steamers between Cleveland and Buffalo is very alluring. With the low round trip rate of \$7.50 and special service provided for automobilists, the tourist is quick to take advantage of the opportunity of breaking the monotony of the land journey, enjoy a night of comfortable sleep on Lake Erie, make progress of 183 miles on his journey and awake refreshed and eager to resume his auto trip early the next morning.

The Great Ship "SEERANBEE" or modern Steamer "CITY OF BUFFALO" leaves Cleveland daily at 8:00 p. m., arriving in Buffalo following morning at 6:30 (Central Standard Time.)

These steamers also alternate in leaving Buffalo daily at 9:00 p. m., arriving Cleveland following morning at 7:30 (Eastern Standard Time.)

This \$7.50 round trip rate is made for automobiles 127 inches wheel-base or under (over 127 inches wheel-base, \$12.00) good for return within two days.—Adv.

CARL MAYS TRADED

Mansfield Player Brings a Record Price of \$55,000

The trade by which Carl Mays, of Mansfield, pitcher of the Boston Red Sox was transferred to the New York Americans, took rank among the biggest transactions financially in the history of baseball.

An official of the Red Sox stated that the Boston club received \$40,000 cash for Mays, in addition to Pitchers Allen Russell and Robert Metcalf, and a third player to be chosen later. An estimate placed the trading value of the three players in excess of \$15,000.

It was understood that Derrill Pratt, second baseman of the New York team, was the most likely choice of the Boston club among the six players available. With this choice exercised the Red Sox management is expected to consummate a deal now pending which has as its object the acquisition by Boston of Scott Perry, pitcher of the Philadelphia Athletics. Boston will offer Pratt, another player with \$15,000 for Perry, it is said.

Mays is an Ozark boy who has pitched himself to fame in big league circles. His home is at Mansfield. He owns a large farm near here where he spends his time when not in active service in the baseball world. His house on his farm was destroyed by fire last spring soon after he went south for spring training with the Red Sox. The loss was several thousand dollars.

Stewart Williams, formerly night clerk at the Frisco station, but now employed by the light company in Kansas City, visited home folks at Norwood and friends at Mansfield during the week.

Aubrey Russell has sold his shares in the Grove Spring Bank to Foster Rippee and has resigned as Cashier of that institution. Mr. Rippee has been chosen to succeed him.—Hartville Democrat.

Former Circuit Clerk John N. Pryor, Jr., of near Hartville, has bought the Harvey Coday farm in the Wolf Creek neighborhood and will move thereto.

Arthur Glass of Ava was here last week en route to Marshalltown, Ia.
